

ST JOHN'S COLLEGE

within the University of Sydney

Reference

Thank you for providing a reference to St John's College within the University of Sydney. Active participation in the College academic, cultural, sporting and community service pursuits ensure that the student derives the most benefit from their College experience and further enriches the College community. Please address the applicant's suitability for such an environment in addition to their strengths as a person. Please note a Reference from a family member is **not** acceptable. A Reference based mainly on knowledge of the applicant as a family friend is of limited value.
